

SO LONG TRUMP

Jack Warshaw (after Woody Guthrie)

Just four years a - go, by some stu-pid mis- take The White House was seized by an o-range fruit cake
Crime and cor - rup-tion were tan-gled in lies In - sa - ni - ty ruled, but peo-ple got wise, and it's...
So long, so bad to e - lect you So long, we're sor-ry they kept you So long, it's great to for-get you
Your tan-trums and tweets will be swept out the door And it's time to be mo-ving a - long

Just four years ago, by some stupid mistake
The White House was seized by an orange fruit cake
Crime and corruption were tangled in lies
Insanity ruled, but people got wise, and it's...

Chorus So long, so bad to elect you
So long, we're sorry they kept you
So long, it's great to forget you
Your tantrums and tweets will be swept out the door
And it's time to be moving along

The day came in time, when everyone knew
In the month of November a mighty wind blew
And the people did say as they beat off the liar
Go pack your bags and your golf clubs, you're fired, and it's...
Chorus

The polls they were closing, reports looking grim
I spent the night sleepless, not knowing who'd win
A nightmare glared, but our favourite son
Said "Hold on, keep the faith, the count's just begun, make it...
Chorus

And when they were counted the verdict was clear
Victory declared as there burst a great cheer
The people rejoiced and came out on the streets
Dancing around with delight and relief, singing...
Chorus

At last it's all over, the bully is gone
His goons and his cronies are finished and done
Get rid of his virus and don't leave a trace
And steer far away from that tangerine face, singing...
Chorus

"Stop—that Trump cartoon you came up with this morning just happened."
