

For all the whistleblowers who expose the shenanigans
of our leaders often at great personal cost or risk.

Keep that Whistle Blowing

from All in Good Time (Full Album), released January 1, 2018

There are those who cover up their deeds
Beneath a pack of lies
And try to weave a tangled web
To cover their backsides
The higher up the ladder you climb
The more snakes in the tree
Cash in plain brown paper envelopes
Get out of jail free

Shenanigans in the government
Are under the carpet swept
As the slugs that eat the finest leaves
In the best hotel are kept
As squillions they are squandered
Profits trousered by the few
And **the lawyers line their pockets**
Just like they always do

So keep that whistle blowing
Play that old sweet song
I want to hear that whistle blow
So blow it hard, blow it long
Blow it loud and clear
So all the world can hear
Just to hear that whistle blowing
Brings sweet music to my ears

Somebody has blundered
And poisoned all the wells
But you can rely on the golf club tie
To silence all the bells
Untouchable the board room babble
Where they make the rules
Money changers in the temple
That take us all for fools

So keep that whistle blowing...

Gangsters in the cupboard
As the scales fall from our eyes
You scratch my back, I'll scratch yours
As the fleas begin to bite
We'll hoist the double standard
Like an eagle on the flag
Policemen in our pocket
Democracy in a gag
