Chorus

Oh! dear what can the matter be  
Oh! dear what can the matter be  
Oh! dear what can the matter be  
Matt had a viral affair

Oh! dear what can the matter be  
Matt Hancock got caught with his secretary  
Canoodling and a-doodling from Monday to Saturday  
Nobody knew they were there

Matt swopped saliva with Miss Coladangelo?  
Telling the country, "Obey Covid safety rules"  
Hancock says "No! Those rules are for other fools"  
This is a private affair  
Chorus

Oh! what a cock up for our health care secretary  
Messing about with a millionaire wanna be  
Wonder what deals he did for the bourgeoisie  
Playing the old laissez faire

Boris said Hancock was "so fucking hopeless"  
His lies about care homes and tests were atrocious  
And we have to live with their fucking psychosis  
With lunatics running health care  
Chorus

Now Hancock is hopeless and jobless and wifeless  
This cock and bull Tory is hollow and spineless  
He tried to screw us and then privatise us  
Till his pickle got caught in a snare

Chorus

Oh! dear what can the matter be  
Oh! dear what can the matter be  
Oh! dear what can the matter be  
Poor Matt had a viral affair
