

**Grace** was looking forward to her freshman year that fall  
Until she was seduced by a quarterback named Paul  
He pledged undying love, but now he doesn't seem to care...  
**Make it safe. Make it legal. Make it fair.**

**Maribel** was raped one night when she was on a date  
The nearest women's clinic is in another state  
She has no car, no money, and no one to take her there  
**Make it safe. Make it legal. Make it fair.**

Bridge:  
If you put yourself in someone else's shoes  
You might understand the reasons they choose the way they choose.

**Zoe** trembles every night as she lies in her bed  
Afraid she'll get a visit from her Uncle Ted  
He swore he'd kill her if she told, and so she doesn't dare  
**Make it safe. Make it legal. Make it fair.**

**Josh and Ava** work three jobs to feed their little babes  
One night the condom broke, another's on the way  
They don't know how they'll manage now, they're starting to despair  
**Make it safe. Make it legal. Make it fair.**

Bridge:  
In the country I am dreaming of  
Every child that's born is wanted, and fed and clothed and loved.

**Kim's** doctor said this pregnancy might cause her heart to fail  
But he wouldn't end it, afraid to go to jail  
Kim wonders how her family will get by if she's not there  
**Make it safe. Make it legal. Make it fair.**
