

TRUST

by Joshua Seigal

Tune based on Turkey in the Straw, chorus added by Pam Bishop

**TORY CUTS
HAVE
CATASTROPHIC
RISKS
TO OUR NHS.**

In the East of England,
under-funding of hospitals risks:

- ⚠ A hospital roof collapsing
- ⚠ Pushing services over the tipping point
- ⚠ Multiple buildings losing mains power

You can't trust the Tories with our NHS.

G

The image shows three staves of musical notation in G major (one sharp) and 4/4 time. The first staff begins with a treble clef, a key signature of one sharp (F#), and a 4/4 time signature. The melody consists of quarter and eighth notes. The lyrics are: "You can't trust a tod-dler not to make a mess You can't trust a Coke not to ef-fer-vesce". The second staff continues the melody with similar note values. The lyrics are: "You can't trust a steak with a li - on - ess and you can't trust the To-ries with the N - H - S". The third staff concludes the melody with a double bar line. The lyrics are: "Sing it loud, sing it clear We don't want no To-ries here".

You can't trust a tod-dler not to make a mess You can't trust a Coke not to ef-fer-vesce

You can't trust a steak with a li - on - ess and you can't trust the To-ries with the N - H - S

Sing it loud, sing it clear We don't want no To-ries here

You can't trust a toddler not to make a mess
You can't trust a Coke not to effervesce
You can't trust a steak with a lioness
And you can't trust the Tories with the NHS

Sing it loud, sing it clear

We don't want no Tories here

You can't trust Spurs* not to cause you stress
You can't trust a cheat in a game of chess
You can't trust a Murdoch with a printing press
And you can't trust the Tories with the NHS

Sing it loud, sing it clear

We don't want no Tories here

You can't trust Prince Harry in fancy dress
You can't trust a stalker with your home address
You can't trust a Johnson with faithfulness
And you can't trust the Tories with the NHS

Sing it loud, sing it clear

We don't want no Tories here

You can't trust a corpse to convalesce
You can't trust the bailiffs not to dispossess
Underfund and privatise? That's my guess
Cos you can't trust the Tories with the NHS

Sing it loud, sing it clear

We don't want no Tories here
